C G Am
I'm going under and this time I fear there's no one to save me
F C G Am
This all or nothing really got a way of driving me crazy
F C
I need somebody to heal
G
Somebody to know
Am
Somebody to have
F
Somebody to hold
C
It's easy to say
G
But it's never the same
Am F
I guess I kinda liked the way you numbed all the pain
C
Now the day bleeds

[Chorus]

G
Into nightfall
Am
And you're not here

To get me through it all **F**
 I let my guard down **C**
 And then you pulled the rug **G**
 I was getting kinda used to being someone you loved **Am F**
