[Verse 1]

E C#m

Did I disappoint you or let you down?

A B

Should I be feeling guilty or let the judges frown?

E C#m

Cause I saw the end before we'd begun

G#m A B

Yes I saw you were blinded and I knew I had won

E C#m

So I took what's mine by eternal right

A B

Took your soul out into the night

E C#m

It may be over but it won't stop there

G#m A B

I am here for you, if you'd only care

[Pre-Chorus]

E
You touched my heart, you touched my soul

C#m
You changed my life and all my goals

A
And love is blind but that I knew when

B
My heart was blinded by yours

E
I've kissed your lips and held your hand

C#m
Shared your dreams and shared your bed

I know you well, I know your smell

I've been addicted to you
