[Verse 1]

F#m7

If I was to talk about the words

They would hurt, they would hurt

I need time

[Pre-Chorus]

Oh, I know that I can't live without you

But this world will keep turning if you do

Would you even want me, want me, want me?

[Verse 2]

We could catch a spaceship to the moon

Because the world is just a figment of the fools

A blank stare, they don't care

E

So say your prayers

Bm

You're almost there

[Pre-Chorus]

But it's running out, it's running out
